

Hardball University Lobos Baseball

Hit-O-Thon

Here is how it works:

Each player will get ten swings of the bat at a pitched ball. We will record the distance of the longest hit ball measuring to the nearest foot. Lets say: the player hits a ball 100 feet and you as the pledge offer to give a dime for each foot. Your donation would be \$10.00. We will take donations of 5 cents, 10 cents or 25 cents, etc. If you choose to donate more we will not object. The amount raised in this fundraiser will be used to help this player afford the expenses incurred while playing as a member of the Hardball U Lobos Baseball Program.

I _____ will pledge _____ (5, 10, 25) cents per foot for the longest ball hit by _____ during the hit-o-thon as Witnessed by the Hardball U Lobos Director of Player Advancement:

Jeremy Tyson
